

**GOLDFLINT**  
microfinance

COMPANY **PROFILE**  
**EST 2020**

# WHO WE ARE

GOLDFLINT is a Tier 4 Financial Institution (Microfinance) that is licensed by the Uganda Microfinance Regulatory Authority.

Goldflint Microfinance provides financial services in form of short and medium term credit to individuals and businesses.

At Goldflint Limited, we are a community-minded, mission and values-guided financial institution focused on helping customers achieve their financial goals. The key to our success is our people, and our inclusive and diverse workplace fosters consistent high performance, enabling our bankers to be their best in serving our customers and communities.

**Goldflint Ltd upholds the best practices in corporate governance. The majority of our directors are non-executive and are drawn from skilled and experienced business leaders.**

# Vision

Our vision is to grow into a leading professionally managed Tier 1 financial institution/ Bank in Uganda by providing first class client focused and relevant products and solutions for our clients.

# Mission

To be the preferred provider of targeted financial services in our communities based on strong customer relationships. We will strengthen these relationships by providing the right solutions that combine our technology, experience, and financial strength.

## CORE VALUES

Our values represent The Goldflint Way - they are the forefront of everything we do, and differentiate us in the market. Our values sustain us as we advance Goldflint's mission of helping individuals and businesses achieve their financial goals.

### **Integrity**

*We are honest, ethical and transparent in our dealings with clients, our investors and with each other.*

### **Knowledge**

*We are equipped with an unrivalled reserve of expertise and experience. We use this wealth of understanding to advise our clients and investors on the best possible solutions for them.*

### **Discipline**

*Discipline governs the processes through which we control and conduct business; it transforms our knowledge and competences into results. We promote a culture of ownership and accountability.*
