

Private Investment

We offer advisory services on the various risks and returns associated with **fixed-income** and **passive investments** in the country.

Our focus is to provide well-researched data on various investment avenues for full-time employed staff or approaching retirement to enable them to make well-informed decisions on investment avenues to partake in securing a stable current and future cash inflow.

Projected returns range from **10% - 30%** per annum (Paid Quarterly)

REQUIREMENTS

National ID, Investment Capital not less than UGX 10M & Source of Income

BENEFITS

- Stable cash inflow
- Access to researched investment avenues
- Access to unsecured quick loans
- Creation of a hedge against other business uncertainties
